Games2u Victoria is a unique, interactive mobile activities company that supplies Video Game Theatres, high-tech Laser Tag, Bumper Balls, giant sized Hamster Balls, inflatables and more. It provides entertainment experiences to every age group. However, a large portion of the business is children and youth events (ie: birthday parties, summer camps, festivals, corporate events, and more). We work with all ages but majority being school age children.

We are looking for highly motivated, physically active, enthusiastic Game coaches to provide top quality customer service on site while supervising and facilitating all activities that we offer.

Hourly Rate: \$12

Qualifications:

- Able to work unassisted from start to finish organizing and facilitating an activity and players (typically children)
- Able to provide excellent customer service skills. Be able to respond to customer needs, requests and concerns in a timely and proactive manner.
- Must be on time and prepared for all types of work/weather conditions.
- This individual will need to be both outgoing and responsible for children and equipment.
- Must be comfortable operating equipment such as generators, blowers and more.
- Must be energetic, fun loving, and great with kids, quick to improvise or change game plans quickly.
- This position will report directly owner/manager
- BC drivers licence an asset, criminal record check will be required, First aid an asset

Looking to hire immediately. The job will be approximately 10 - 20 hrs per week, weekends mostly until mid May. May and June will include evenings and weekends with many school events. Summer months include summer camps and more. Training takes place on the job and will include set up, operation and take down of the activities offered. You will learn to use generators and other small equipment as well.
