

**The Clean Energy Association of BC (CEBC):**

The CEBC is offering a \$1000 scholarship for students who are interested in pursuing a future in clean energy at a post-secondary institution. The recipient must be a BC secondary student (full-time, currently enrolled) that is graduating in 2018.

**Application Materials:**

- Applicants must submit a 1-2 page paper (500 words) responding to the question “Why is clean energy important to me as a young person in BC?” Please explain why clean energy is important, cite any relevant experience with projects, volunteering, or community work, and indicate any future plans for involvement (please indicate the post-secondary institutions you have applied to and any acceptances).
- Applicants must also provide one letter of reference (not a relative). This could be from a teacher, a community representative, a pastor/religious teacher or a coach. The reference letter should speak to your character as a person.
- Applicants must provide their contact information – address, phone number and e-mail.

The deadline for applications is **May 27, 2018.**

**Please submit applications by mail or email to:**
