# ELECTRICAL—LEVEL ONE TRADES

**Program Coordinator: Allen Anderson**

## **Program Description:**

This Level One Trades Training is designed for students considering a career in the Electrical Industry. The program provides students with an opportunity to complete apprenticeship training level one as an Electrician. It is a two year program that will give the student dual credit at school and college, and credit towards the first year of their apprenticeship. The program is supported by industry partners who will provide work experience and where possible apprenticeship opportunities.

## **Admission:**

Admission for Electrical Level One may be made through the Technology Education Department at Spectrum. Selection is made following an interview with the course instructors. Sixteen applicants are accepted annually into the program.

## **Program Requirements:**

### **Gr. 11**

- Electrical Trades Apprenticeship 11
- Drafting & Design 11

### **Gr. 12**

- Electrical Trades Apprenticeship 12A
- Electrical Trades Apprenticeship 12B
- Work Experience 12 {120 hours of work experience during the two years}

## **Upon Completion**

Of the courses and the Level One examination, students receive:

**Camosun College Level 1 Certificate** in Electrical Entry Level Trades Training.

**Student Cost:** Camosun registration: \$39.41 & associated books and safety equipment.
